Our quarterly newsletter for families

April - June 2026

Welcome From our CEO, Rob

Welcome to the first edition of our Borough Care family newsletter.

We're delighted to share regular updates every quarter, keeping you connected with what's happening across our homes.

The past three months have been incredibly busy as we've been stuck into our Caring For Our Future strategy sessions, helping to shape the future of Borough Care. We'll share more about this exciting journey in the months ahead. A heartfelt thank you to all the relatives who joined our engagement sessions—your ideas and feedback have been invaluable.

We hope you enjoy this first edition and look forward to sharing more news and updates with you throughout the year.

Rob Jackson
CEO, Borough Care

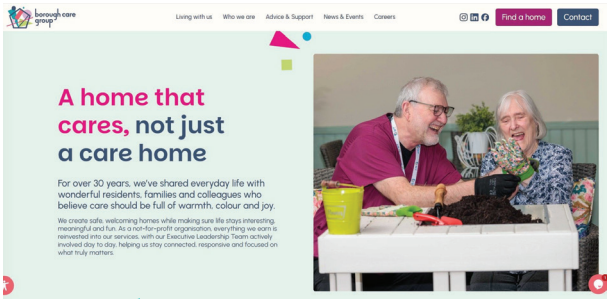
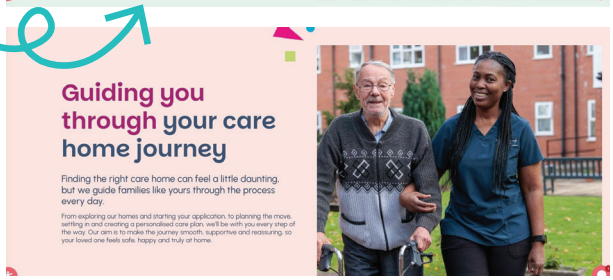
Have you visited our recently launched brand-new Borough Care website?

Designed with residents, families and future colleagues in mind, it's easier to navigate and brings to life everything that makes Borough Care so special – our welcoming homes, dedicated teams and our Life in Colour approach to care.

We'd love for you to take a look – you might even spot a few familiar faces! We'll be updating the website regularly with the latest news, photos and videos, so there's always something new to explore.





A Dream Day For Keith!

In June, Shoemaker Place resident Keith, a lifelong Stoke City fan, enjoyed a dream day with a behind-the-scenes tour of the bet365 Stadium, thanks to Borough Care's Resident Wishes Programme and the wonderful team at Stoke City FC.

From exploring the changing rooms to sitting in the dugout, it was a day to remember – made even more special with an invitation to attend a match next season!

Does your loved one have a special wish?

We'd love the chance to help make it come true.

Celebrating Excellence Across Our Homes

well done!

We're delighted to share achievements from across our homes.

Bryn Haven achieved 100% in its Infection Prevention and Control Audit with Stockport Council, reflecting the team's high standards. **Bruce Lodge, Cawood House, Wellcroft, Meadway Court, Hen Cloud House, Reinbek, Bryn Haven, Meadway Court** and **Shoemaker Place** have all been awarded 5 star food hygiene ratings by the Food Standards Agency, recognising excellent practices. **Lisburne Court** has retained its End of Life Care accreditation, and **Wellcroft** have achieved the same accreditation, demonstrating their commitment to compassionate, person-centred care.

Tea Dances Full of Fun

In May, we hosted our Staffordshire Tea Dance at Wetley Rocks Village Hall, bringing together residents and families from Hen Cloud House and Shoemaker Place for a country and western-themed afternoon of music, dancing and fun.

June saw residents from our Stockport homes meet up at the Alma Lodge to enjoy a race day-themed tea dance, complete with a fantastic 'Best Hat' competition.

Both events were a wonderful way to enjoy great company, music and laughter .

A Royal Day to Remember

Colleagues Jade and Lindsay attended a Royal Garden Party at Buckingham Palace in recognition of Silverdale becoming the first Borough Care home to achieve the Veteran Friendly Framework. (3 more homes now hold this!)

The occasion was made even more special with the attendance of King Charles, Queen Camilla and Anne, Princess Royal.

Heard In Our Homes

"This is the best ice cream I have ever had!"

Jack at Wellcroft

As if the smile didn't say it all!

Jack was delighted with his 99 when the ice cream van rolled up during the recent spell of hot weather.

Proud to live Life In Colour!

Throughout June, our homes celebrated Pride Month in a wonderful variety of colourful ways, from lively parties and creative activities to music, laughter and moments of reflection.

It was a fantastic opportunity to celebrate individuality, inclusion and community – bringing our Borough Care ethos of Life in Colour to life in every home.
